

Be You and the Australian Student Wellbeing Framework

The **Australian Student Wellbeing Framework** provides a vision, key elements, guiding principles and effective practices to support the whole school community to build and maintain safety, positive relationships and wellbeing.

By completing the following Be You Professional Learning modules you will be addressing core principles of the Australia Student Wellbeing Framework outlined in the far-right column.

Be You Domain and Module		Core principles
Mentally Healthy Communities	Understand	<ul style="list-style-type: none"> • Leadership: Building a positive learning environment where the whole school community feels included, connected, safe and respected • Support: Cultivating an understanding of wellbeing and support for positive behaviour
	Connect	<ul style="list-style-type: none"> • Leadership: Building a positive learning environment where the whole school community feels included, connected, safe and respected • Inclusion: Building a welcoming school culture that values diversity, and fosters positive, respectful relationships
	Include	<ul style="list-style-type: none"> • Leadership: Building a positive learning environment where the whole school community feels included, connected, safe and respected • Inclusion: Building a welcoming school culture that values diversity, and fosters positive, respectful relationships.
